INDEPENDENT AUDITORS' REPORT

To the Board of Trustees of
Nevada Humanities, Inc.

We have audited the accompanying statement of financial position of Nevada Humanities, Inc. (a nonprofit organization) as of October 31, 2010, and the related statements of activities, functional expenses, and cash flows for the year then ended. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audit. The prior year summarized comparative information has been derived from the Organization's 2009 financial statements and, in our report dated January 26, 2010, we expressed an unqualified opinion on those financial statements.

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Organization's internal control over financial reporting. Accordingly, we express no such opinion. An audit also includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements and assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Nevada Humanities, Inc. as of October 31, 2010, and the changes in its net assets and its cash flows for the year then ended in conformity with accounting principles generally accepted in the United States of America.

In accordance with *Government Auditing Standards*, we have also issued our report dated January 28, 2011, on our consideration of the Organization's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is to disclose the scope of our testing of internal control over financial reporting and compliance and the results of that testing and not to provide an opinion on the internal control over financial reporting or compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* and should be considered in assessing the results of our audit.

Our audit was performed for the purpose of forming an opinion on the basic financial statements of Nevada Humanities, Inc. taken as a whole. The accompanying schedule of expenditures of federal awards is presented for purposes of additional analysis as required by U.S. Office of Management and Budget Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*, and is not a required part of the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and, in our opinion, is fairly stated, in all material respects, in relation to the basic financial statements taken as a whole.

NOTES TO FINANCIAL STATEMENTS

.....

NEVADA HUMANITIES, INC.
NOTES TO FINANCIAL STATEMENTS
OCTOBER 31, 2010

NOTE 1 – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Nature of Activities

Nevada Humanities, Inc. (the Organization) is a Nevada nonprofit Organization and is funded principally by grants from the National Endowment for the Humanities. The Organization is responsible for administering grants awarded to re-grantees (subrecipients) for cultural and educational purposes, and to foster an environment in which the humanities can thrive.

Each year Nevada Humanities, Inc. carries out programs that promote the humanities. The following are the main events and programs which the Organization sponsored in 2010:

- Nevada Humanities Chautauqua
- Young Chautauqua
- Online Nevada Encyclopedia
- Humanities on the Road
- Vegas Valley Book Festival
- Literature & Medicine
- Nevada Humanities Grant Program

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with U.S. generally accepted accounting principles.

Basis of Presentation

The Organization reports information regarding its financial position and activities according to the three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets, based on the existence or absence of donor imposed restrictions.

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. When a donor restriction expires, that is, when a stipulated time or purpose restriction is accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions.

The Organization reports restricted contributions whose restrictions are met in the same reporting period in which contributions are received as unrestricted support.

Cash and Cash Equivalents

Cash and cash equivalents include a general checking account and cash invested in money market funds. For purposes of the statement of cash flows, the Organization considers all highly liquid debt instruments purchased with original maturities of three months or less to be cash equivalents.

Investments

Investments consist of time certificate of deposits and pooled investment funds which are stated at their fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets.

NOTE 1 – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(Continued)

Accounts Receivable and Grants Receivable

Accounts receivable consists of amounts due from grantor and contracting agencies, recipient agencies and miscellaneous other sources. Grantor and contracting agency receivables represent amounts receivable for expenditures incurred or services provided prior to year-end. All receivables are considered fully collectible by management. Therefore, no allowance for doubtful accounts is provided.

Inventory

Inventory consists of books held for sale and is stated at cost determined on the first-in, first-out (FIFO) method.

Re-grants Payable

Re-grants payable are approved grants payable to re-grantees for funding as of October 31, 2010, but not disbursed as of that date.

Contributed Facilities and Services

The Organization is required to recognize the contributions of services if the services received (a) create or enhance non-financial assets or (b) require specialized skills, are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation. Services requiring specialized skills are those provided by accountants, architects, carpenters, doctors, electricians, lawyers, nurses, plumbers, teachers and other professionals and craftsmen.

Additionally, the Organization receives a significant amount of contributed services, which do not meet the two recognition criteria above. Accordingly, the value of the contributed services has not been determined and is not reflected in the accompanying financial statements. However, many individuals volunteer their time and perform a variety of tasks that assist the Organization with specific programs, resource development activities, and other activities. For the year ended October 31, 2010, approximately 1,057 hours were donated to the Organization. No amounts have been reflected in the financial statements for these volunteer services.

The National Endowment for the Humanities requires that all expenditures of its grant funds by Nevada Humanities, Inc. be matched in-kind or with cash contributions. Consequently, the Organization requires that all of its subrecipients match all awards on the same basis. In-kind contributions for matching purposes are the fair value of salaries, administrative assistance, equipment, travel, etc., which are essential to the completion of funded programs donated by sponsors or other supporters. The Organization reported \$1,129,017 in matching funds for the year ended October 31, 2010. In accordance with SFAS No. 116, the in-kind contributions are not reflected in the financial statements.

Functional Allocation of Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statement of activities. Accordingly, certain costs have been allocated among the programs and supporting services benefited based upon the employees' time spent in each activity.

NOTE 1 – NATURE OF ACTIVITIES AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES
(Continued)

Advertising Cost

Advertising costs are expensed as incurred. Advertising costs total \$1,780 for the year ended October 31, 2010.

Income Taxes

The Organization is exempt from federal income taxes under Internal Revenue Code Section 501(c)(3). Accordingly, no provision for income taxes has been made. Tax positions to consider include but are not limited to:

- Classification of program services, administrative and fund raising
- Characterization of its activities as related or unrelated to its tax exempt purpose

It is the Organization's tax position that it has not engaged in activities that would jeopardize its exempt status nor has it engaged in activities that would result in unrelated business income tax.

Although the Organization has not been notified of any pending Internal Revenue Service (IRS) examinations, its returns are subject to examination within a three year statute of limitations. At October 31, 2010, the 2006 through the current period returns are subject to examination by the IRS.

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Subsequent Events

Subsequent events have been evaluated through the report date, which represents the date the financial statements were available to be issued. Subsequent events after that date have not been evaluated.

Reclassifications

Certain items on the 2009 financial statements have been reclassified to conform to the 2010 presentation.

Memorandum Only – Total Columns

Total columns in the combined financial statements are captioned "memorandum only" to indicate that they are presented only to facilitate financial analysis. Data in these columns do not present financial position, changes in net assets or cash flows in conformity with generally accepted accounting principles.

NOTE 2 – CASH AND CASH EQUIVALENTS

The Organization maintains its cash in bank deposit accounts which, at times, may exceed federally insured limits. Accounts are guaranteed by the Federal Deposit Insurance Organization (FDIC) up to \$250,000. At October 31, 2010, the Organization had approximately \$92,000 in excess of FDIC insured limits. The Organization has not experienced any losses in such accounts.

NOTE 3 – INVESTMENTS AND FAIR VALUE

The fair value of investments as of October 31, 2010 is as follows:

Certificates of deposit	\$ 102,089
Pooled investments	<u>146,158</u>
	<u>\$ 248,247</u>

Investment return for the year ended October 31, 2010 is:

Interest and dividends	\$ 4,058
Unrealized gain	<u>10,750</u>
	<u>\$ 14,808</u>

Generally accepted accounting principles require disclosures regarding fair value measurements which establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. The Organization has no Level 1 investments for the year ended October 31, 2010.

	<u>Level 2</u>	<u>Level 3</u>	<u>Total</u>
Certificates of deposit	\$ 102,089	\$ -	\$ 102,089
Pooled investments	<u>-</u>	<u>146,158</u>	<u>146,158</u>
	<u>\$ 102,089</u>	<u>\$ 146,158</u>	<u>\$ 248,247</u>

Level 2 Fair Value Measurements - The fair value of certificates of deposit for which quoted market prices are not available are valued based on stated interest rates and accrued interest based on broker estimates.

Level 3 Fair Value Measurements - The fair value of pooled investments is available and is provided by the investment manager in quarterly statements. Detailed investment holdings are not provided. The fair value of level 3 investments totals \$146,158 at October 31, 2010.

Following is a summary of the changes in Level 3 investments for the year ended June 30, 2010:

Beginning balance	\$ 136,461
Investment income	2,156
Net realized and unrealized gains	10,750
Contributions	-
Expenses	<u>(3,209)</u>
Ending balance	<u>\$ 146,158</u>

Gains and losses (realized and unrealized), interest and dividend income and investment fees are reported net as investment income (loss) in the statement of activities.

NOTE 4 – ENDOWMENT FUNDS

The Organization has an unrestricted endowment fund established to support the mission of Nevada Humanities, Inc. As required by accounting principles generally accepted in the United States of America, net assets associated with endowment funds, including funds designated by the Board of Trustees to function as endowments, are classified and reported as unrestricted, temporarily restricted and permanently restricted net assets based solely on the existence or absence of donor-imposed restrictions.

The unrestricted endowment fund consists of investments totaling \$146,158 at June 30, 2010. The Organization does not have any endowment funds that are considered temporarily or permanently restricted at June 30, 2010.

Interpretation of Relevant Law

In the absence of explicit donor stipulations to the contrary, Nevada Humanities, Inc. has interpreted the Uniform Prudent Management of Institutional Funds Act (UPMIFA) as set forth in Chapter 164 of the Nevada Revised Statutes as requiring the preservation of the fair value of the gift as of the gift date for permanently restricted net assets. Nevada Humanities, Inc.'s endowment fund is classified as unrestricted based upon the board designation requirements until such time as funds are re-designated for expenditure by Nevada Humanities, Inc. in a manner consistent with the board designation requirements and the standard of prudence prescribed by UPMIFA. In accordance with UPMIFA, Nevada Humanities, Inc. considers the following factors in making a determination to appropriate or accumulate board designated endowment funds:

- The duration and preservation of the fund
- The purposes of the Organization and the board designated endowment funds
- General economic conditions, including the possible effect of inflation and deflation
- The expected total return from income and the appreciation of investments
- Other resources of the Organization

Return Objectives and Risk Parameters

Nevada Humanities has not adopted an investment policy that addresses return objectives and risk parameters.

Funds with Deficiencies

From time to time, the fair value of assets associated with the funds may fall below the level that the board or UPMIFA requires to be retained as perpetual funds. Such deficiencies are reflected as decreases in unrestricted net assets for the period.

Strategies Employed for Achieving Objectives

The Organization has not adopted an investment policy that addresses long-term objectives.

Spending Policy and How the Investment Objectives Relate to the Spending Policy

The designated funds have been set aside for the support of the Organization and will be spent at a time the board deems necessary for the purpose as originally designated.

Nevada Humanities, Inc. makes contributions to one of two pension plans for eligible employees. The Organization matches employee contributions up to 11.25% percent of eligible salaries.

If the employee selects the 403(b) plan, their options are the Teachers' Insurance and Annuity Association and the College Retirement Equities Fund, The American Century Family of Funds, VALIC, and Fidelity Investment, which are defined contribution plans recognized by the Internal Revenue Service under Code Section 403(b). REPORTS ON COMPLIANCE AND INTERNAL CONTROL

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Trustees of
Nevada Humanities, Inc.

We have audited the financial statements of Nevada Humanities, Inc. (a nonprofit organization) as of and for the year ended June 30, 2010, and have issued our report thereon dated January 28, 2011. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States.

Internal Control over Financial Reporting

In planning and performing our audit, we considered Nevada Humanities, Inc.'s internal control over financial reporting as a basis for designing our auditing procedures for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of Nevada Humanities, Inc.'s internal control over financial reporting. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over financial reporting.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis.

Our consideration of internal control over financial reporting was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be deficiencies, significant deficiencies, or material weaknesses. We did not identify any deficiencies in internal control over financial reporting that we consider to be material weaknesses, as defined above.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Nevada Humanities, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect of the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

This report is intended solely for the information and use of management, Board of Trustees, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE WITH REQUIREMENTS THAT
COULD HAVE A DIRECT AND MATERIAL EFFECT ON EACH MAJOR PROGRAM AND ON
INTERNAL CONTROL OVER COMPLIANCE IN ACCORDANCE WITH OMB CIRCULAR A-133

To the Board of Trustees of
Nevada Humanities, Inc.

Compliance

We have audited the compliance of Nevada Humanities, Inc. (a nonprofit organization) with the types of compliance requirements described in the U.S. Office of Management and Budget (OMB) *Circular A-133 Compliance Supplement* that are applicable to each of its major federal programs for the year ended October 31, 2010. Nevada Humanities, Inc.'s major federal program is identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs. Compliance with the requirements of laws, regulations, contracts, and grants applicable to each of its major federal programs is the responsibility of Nevada Humanities, Inc.'s management. Our responsibility is to express an opinion on Nevada Humanities, Inc.'s compliance based on our audit.

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and OMB Circular A-133, *Audits of States, Local Governments, and Non-Profit Organizations*. Those standards and OMB Circular A-133 require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Nevada Humanities, Inc.'s compliance with those requirements and performing such other procedures as we considered necessary in the circumstances. We believe that our audit provides a reasonable basis for our opinion. Our audit does not provide a legal determination of Nevada Humanities, Inc.'s compliance with those requirements.

In our opinion, Nevada Humanities, Inc. complied, in all material respects, with the requirements referred to above that are applicable to each of its major federal programs for the year ended October 31, 2010.

Internal Control Over Compliance

The management of Nevada Humanities, Inc. is responsible for establishing and maintaining effective internal control over compliance with the requirements of laws, regulations, contracts, and grants applicable to federal programs. In planning and performing our audit, we considered Nevada Humanities, Inc.'s internal control over compliance with requirements that could have a direct and material effect on a major federal program in order to determine our auditing procedures for the purpose of expressing our opinion on compliance and to test and report on the internal control over compliance in accordance with OMB Circular A-133, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Nevada Humanities, Inc.'s internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that

material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

Our consideration of internal control over compliance was for the limited purpose described in the preceding paragraph and would not necessarily identify all deficiencies in the entity's internal control that might be significant deficiencies or material weaknesses as defined below. We did not identify deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above.

This report is intended solely for the information and use of management, Board of Trustees, and federal awarding agencies and pass-through entities and is not intended to be and should not be used by anyone other than these specified parties.
